

SCHOOL & GROUP VISITS

Pinerolo, the Children's Book Cottage promotes Australian picture books and their creators and educates children and adults about them.

**Where do picture books come from?
How are they written? Who draws the pictures?**

Listen, Look and Learn about the magic of picture books.

Margaret Hamilton AM, former children's publisher, welcomes children of all ages.

She presents a fascinating and educational talk on the creation and publishing of picture books, supported by:

- Original artwork by some of Australia's best-known illustrators •
- Over 3000 Australian picture books •
- Reference books about authors and illustrators •
- Activities for every child which make their visit fun and memorable •

\$10 per child, duration approximately one hour. No age preference.

Maximum 25. Bookings essential.

Adult groups also welcome - librarians, teachers, parents - \$20pp.

**PLUS: For sale. New children's books at very reasonable prices.
Selected original artwork also available.**
